Notes :

- (1). The hire of floating crafts and appliances by the CHPT to the public is not guaranteed normally. The craft and appliances shall be hired out only if available. The CHPT shall not be responsible to the hirer or any person for any loss or damage or injury to life or property arising directly or indirectly from the use of the crafts or appliances of any sort or any damage which may occur as a result of non-supply or delay in supply or by the use of the crafts or appliances of the CHPT or due to failure of the crafts or appliances at any stage during the period of hire. The hirer shall keep the crafts or appliances in good order and condition and shall be liable for any damage caused to the crafts or appliances during the subsistence of hire and shall make good all damages, whether by accident, by fire or otherwise (fair wear and tear excepted). The hirer shall indemnify the Board against all loss or damage or injury to life arising directly or indirectly from the use of the crafts or appliances during the period of hire to any property belonging to the Board including the crafts or appliances under hire or to any other person or property or breakdown or any demurrage incurred on cargo. The liability of the hirer shall not be affected by the fact that such loss or damage or injury to life may have arisen due to any act or default of any employee of the CHPT. The hirer shall also indemnify the CHPT for all liabilities under the Workmen's Compensation Act.

The cost of repairing the damages sustained by the crafts or appliances or part thereof that might be broken, missing or specially damaged or lost during the period of hire shall be that actually incurred for the purpose by the CHPT including the usual indirect charges, centage charges while the cost of replacement, if necessary, of part or in full of the crafts or appliances will be either the book value or the current market value, whichever is higher.

- (2). The CHPT may require the hirers to execute an agreement relating to the hire, whether it be within or outside the Port limits, in such form as may be prescribed from time to time and upon such terms and conditions as may be laid down in each case.
- (3). The rate specified against the floating crafts or appliances in the column 'Period of hire' is for one individual craft or appliance.
