- 17 The rates offered details have to be entered separately in a spread sheet file (xls format Price bid) in the space allotted and should be updated as BOQ.xls file for each tender after the financial bid. The BOQ file, if found modified by the bidder, his bid will be rejected.
  - 17.1 The item rate is to be indicated against each item of work/s.
  - 17.2 The rate will be applicable to the item against which the rate is quoted.
  - 17.3 The figures entered in the column notified as Rates will have automatic conversion to words in next column and thereafter the amount is calculated with multiplication of rate and quantity. This would be carried forward until end of BOQ and the total amount is calculated automatically and tenderer need not insert anything other than rate in figures and name of the firm.
  - 17.4 The tendering system will give a successful bid updation message and then a bid summary will be shown with the bid no., the date and time of submission of the bid and all other relevant details. The bidder has to submit the relevant documents required as indicated in the cover content. In case of any irrelevant files, the bid will be rejected.
- 18 The bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid.
- 19 The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening date.

- 20 For any clarifications with the Tender Inviting Authority (TIA), the bid number can be used as a reference.
- 21 Bidder should log into the site well in advance for bid submission so as to submit the bid in time (i.e.) on or before the bid submission time. If there is any delay, due to other issues, bidder only is responsible.
- 22 Each document to be uploaded online for the tenders should be less than 2 MB. If any document is more than 2 MB, it can be reduced by scanning at low resolution and the same can be uploaded. However, if the file size is less than 1 MB the transaction uploading time will be very fast.
- 23 The time settings fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening, etc., in the e-procurement system. The bidder should follow this time during bid submission.
- 24 All the data being entered by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission & cannot be viewed by any one until the prescribed date & time of bid opening.
- 25 The confidentiality of the bid is maintained since the secured Socket Layer 128 bit encryption technology is used. Data storage encryption of sensitive fields is done.
- 26 Any document that is uploaded to the server is subjected to symmetric encryption using a generated symmetric key. Further this key is subjected to asymmetric encryption using buyers public keys. Overall, the submitted tender documents become readable only after the tender opening by the authorized individual.
- 27 For any queries related to portal, the bidders are asked to contact by Mail [cppp.nic@nic.in](mailto:cppp.nic@nic.in) or by phone 1-800-3070-2232 or 917878007972 or 91-7878007973 well in advance.
- 28 Tenderer is required to submit their tender through online in the form of Two Cover System on or before schedule bid due date of closing and time as notified in NIT. The tender received after the due date and time will not be entertained.
- 29 Tender Document can be submitted online only in the designated e-procurement portal [eprocure.gov.in](http://eprocure.gov.in) on or before the due date and time. The time of opening of technical bid will be as notified in the NIT.

The contractor shall be financially sound so as to ensure sufficient cash flow for the monthly work.

**67 Mode of measurement and payment:**

**67.1 Mode of measurements**

- (a) The measurements shall be recorded and entered in computerized format in the first instance by the contractor and a hard copy (draft) shall be submitted to the Department then and there.
- (b) The format for Computerized Measurement Book (CMB) shall be downloaded from ChPT website: [http:// www.chennaiportgov.in](http://www.chennaiportgov.in).
- (c) These measurements shall then be checked by the department. The contractor shall incorporate all such changes or corrections, as may be done during these checks, to his draft computerized measurements, and submit to the department the corrected computerized measurements in the form of a book, duly hard bound in red colour on the lines of the conventional Measurement books now in use, and with its pages machine numbered.
- (d) The Computerized Measurements Book given by the contractor, duly bound, with its pages machine numbered, shall have no cutting or over-writing.
- (e) The Computerized Measurement Book shall be allotted a serial number by the department.
- (f) In case of any error, the Computerized Measurement Book shall be cancelled, and the contractor shall re-submit a fresh Computerized Measurement Book. This should be done before the corresponding computerized bill is submitted to the Division for payment.
- (g) The contractor shall submit a minimum of 3 copies of each Computerized Measurement Books for the purpose of reference and record in the various offices of the department.

**67.2 Bill Submission:-**

- (a) Bills shall be prepared and submitted by the contractor in the Trust computerized format, which can be downloaded from ChPT website: [http:// www.chennaiportgov.in](http://www.chennaiportgov.in) with all the pages machine numbered, and hard bound, and with all the entries made as per the existing procedure.
- (b) The contractor shall submit a minimum of 3 copies of the computerized bills as may be required for the purpose of reference and record in the various offices of the department.
- (c) The bill shall be carried forward from the pervious running account Bill as per the existing procedure.

**68 Retention Money:**

Retention Money at 5% will be deducted from each running bill subject to a maximum accumulation of 5% of the contract price. Half of the above sum will be refunded to the Contractor, if he so desires on issuance of the taking over certificate for whole of the work and the balance is being held in deposit as security. Any defects like damaged to the trust property are notified which in the opinion of the Engineer are due to wrong handling / unsuitable materials used and / or defective workmanship, the contractor shall be required to carry out at the contractor's cost, such repairs as the Engineer considers necessary or in the event of contractor failing to do this within the notified time, the Engineer may arrange for such repairs to be carried out and deduct the cost of such rectification of the defects from

the amount retained, without prejudice to the recovery of any amount that may have been spent in excess of the deposit.

**69 ESCALATION**

The quoted rate shall be firm throughout the tenure of the contract. No price adjustment/escalation is payable over and above the rates quoted by the contractor for any reasons whatsoever.

**70 ASSISTANCE FOR CE**

The contractor shall provide the supervisor at all times during the contract period sufficient and qualified personnel to assist the Chief Engineer in this duties to carry out or check any work and / or measurement of works.

**71 UNAUTHORIZED PERSONS**

No unauthorized persons are being allowed on the site. The contractor shall take steps to prevent trespass and prevent unauthorized persons from entering and / or being on the site. All the personnel will be required to wear their security passes as per requirements of local / port authorities. Access shall be limited to the area they are working in and allowed by local / port authorities. Such passes shall be arranged sufficiently in advance both for men as well as vehicles and shall be renewed as and when required. Non-availability of passes or personnel to carry out the job within the stipulated time period shall not be considered as a plea for extension of time or extra cost.

**72 FIRST AID FACILITIES**

The contractor shall provide and maintain upon the work sufficient proper and efficient life saving appliances and first aid equipment to the approval of the CE and in accordance with the requirements of International Labour Organisation (I.L.O.) Convention No.62. The appliances and equipment shall be available for use at all times. Contractor shall indemnify the Port from the cases booked by the Labour Enforcement Officer (L.E.O.) for his negligence.

**73 DISPUTE RESOLUTION**

- (a) Any dispute and or difference arising out of or relating to this contract will be resolved through joint discussion of the authorities' representatives of the concerned parties. However, if the disputes are not resolved by joint discussions, then the matter will be referred to the courts at Chennai shall have the exclusive jurisdiction to try all disputes, if any, arising out of this agreement between the parties.
- b) Any litigation arising out of this Agreement shall only be adjudicated before the competent court of law within this jurisdiction of the Hon'ble High Court of Madras.
